MEMORANDUM FOR THE RECORD

SUBJECT: EAA Tax Exemption

25X1A 1. On 3 February 1966 [redacted] and I spoke with Messrs. [redacted] concerning tax exemption for the Employees Activities Association, Inc. We agreed that the papers could be filed directly with [redacted] and he in turn could contact the District Director in Richmond. This would be a 501(c)(4) tax-exempt organization, and the exemption would cover both the association and the corporation technically from the date of incorporation but actually back to the inception of the association itself. The corporation would be given an employer's identification number which could be used for both Federal and State filing requirements of various kinds. We agreed to submit a draft form 1024, which they agreed to process expeditiously.

25X1A 2. I have called Mr. [redacted] concerning this matter and am requesting from him whatever information is necessary to complete the 1024.
